

## Fargo Jet Center/Premier Jet Center and FoxThree Aviation Consulting Announce Joint Marketing Agreement

October 31, 2016 (Eden Prairie, MN) Fargo Jet Center/Premier Jet Center (FJC/PJC) has announced a joint marketing agreement with FoxThree Aviation Consulting LLC (FTAC) to provide aviation consulting and FAA approval services in the business aviation industry.

FoxThree Aviation Consulting LLC was formed in January 2013 by Premier Jet Center team member Jason Barron, after recognizing an immediate need to provide time-sensitive FAA approval services for business jet operators in the Minneapolis area. Since then FTAC has grown beyond the Minneapolis area to serve clients both domestically and internationally including Canada, Mexico, Africa and South Korea.

*"We are delighted to be able to offer our existing and future clients a truly complete range of services via the agreement with FoxThree Aviation Consulting," says Jim Sweeney, President of FJC/PJC.*

**About Premier Jet Center and associated companies:** Premier Jet Center (PJC), based at Flying Cloud Airport in Minneapolis (KFCM) is a subsidiary of parent company Fargo Jet Center headquartered in Fargo, ND (KFAR). Premier Jet Center also serves as the base for the company's aircraft sales division, Exclusive Aircraft Sales. Services offered include: FBO services, aircraft sales, aircraft maintenance, paint and interiors, and avionics sales, service and installations. Additionally, FJC offers aircraft charter, aircraft management services, and operates a Cessna-certified flight school. Both FBO locations are members of the Avfuel branded FBO Network and the Paragon Aviation Network.

**About FoxThree Aviation Consulting LLC:** FoxThree Aviation Consulting LLC is a leading provider of business aviation consulting services, designed to achieve critical FAA approvals for flight into domestic and international airspace. Examples of approval services include RVSM program manuals, Part 91, 125 and 135 MEL manuals, international ops manuals, safety management systems, SMS FlightCan™ data collection, AAIP document review or development services, FANS Datalink, ADS-B.
