## Premier Jet Center Achieves IS-BAH Certification

**February 6, 2017 (Eden Prairie, MN)** Premier Jet Center (PJC) at Flying Cloud Airport in Minneapolis (KFCM) achieved initial International Standard for Business Aircraft Handlers (IS-BAH) certification and registration with the International Business Aviation Council. This is the result of PJC's sustained commitment toward superior levels of Safety, Maintenance and Service, along with the true professionalism of the entire team.

The IS-BAH is a set of standards that reflect business aviation best practices worldwide and a management process to ensure long-term growth and development. As such, the organization and registrants undergo continued review and analysis with the goal of establishing and maintaining quality aviation operations. Learn more about IS-BAH on the IBAC website: [http://www.ibac.org/is\\_bah](http://www.ibac.org/is_bah)

*"Premier Jet Center is proud to be an IS-BAH participant and contributor whose goal is increasing the levels of safety in ground and flight operations," said Jim Sweeney, President of Premier Jet Center. "Our entire employee team is committed to the principals of IS-BAH and we are proud to be the first FBO in the region to achieve such recognition for the high standards we bring to our clients each day."*

**About Premier Jet Center and associated companies:** Premier Jet Center (PJC), based at Flying Cloud Airport in Minneapolis (KFCM) is a subsidiary of parent company Fargo Jet Center headquartered in Fargo, ND (KFAR). Premier Jet Center also serves as the base for the company's aircraft sales division, Exclusive Aircraft Sales. Services offered include: FBO services, aircraft sales, aircraft maintenance, paint and interiors, and avionics sales, service and installations. Additionally, FJC offers aircraft charter, aircraft management services, and operates a Cessna-certified flight school. Both FBO locations are members of the Avfuel branded FBO Network and the Paragon Aviation Network.
